MEMORANDUM FOR: Director of Security

SUBJECT : Office of Security Monthly Report
of Trends and Highlights for
January 1974

1. Attached is the first formal presentation of the Office of Security Monthly Report of Trends and Highlights for January 1974.

2. A general consensus regarding format, obtained in circulating a trial report covering December 1973, was to try it for a while and then to re-evaluate it.

3. A trend running through this report is that activities in January were back at normal levels after a subnormal month experienced in December because of the holidays.
